

TIGER TALES 1961

WAYN STE INFOA
3RD GRADE

BUD

Well Jack, (heem off)

We've had a lot of fun
this year haven't we what
with playing pool + drinking &?
Well - the pleasures of the young.
Take it easy next year + don't
work too hard. I guess you won't
though. Best of Luck always
+ I hope to see you often this
summer.

Jeff

Wayne,

We sure had
fun this year in
Larp's D&D. You are
a swell if you like to
debates + don't
work. Be good and don't
drink too much, I love at
Pool or chess all the Gals
Lords of Luck,
Linda

Wayne, been an
experience knowing you. I
appreciate having the chance
I hope you have with every thing
you do. And I hope all can always
be friends. This is the year you really
start living. My father says that you
will be the most successful of all the boys to
he has met. I do hope you will live up to
all his expectations. Try at least.
Good Luck Always Wayne

COMMUNITY HIGH SCHOOL *goes to hell*
CRYSTAL LAKE, ILLINOIS
VOLUME II
1961

High hopes for another day.

Bashful or embarrassed, Brian?

Here are the morning announcements . . .

A slide rule must be used with utmost care, eh Birdie?

Aw c'mon — You can squeeze harder than that!

Sign out, please!

The buy of a lifetime for only 50¢.

Unpaid door-holder?

Russell F. Larson

What does one do to fill the vacuum left by the loss of a true friend? For eight years Crystal Lake high school was made a better world by the presence of a warm personality and a top-notch teacher and counsellor. Mr. Russell Larson's death this year was a tragic loss to Crystal Lake. Yet his spirit of understanding and his great sense of humor will never fade from our halls. As a minor tribute of our respect for Mr. Larson, the yearbook staff dedicates this 1961 edition to his memory.

Steen,

I didn't know ^{you} very
well in the 1st $3\frac{1}{2}$
years but we sure
have had fun totally.
We sorta lived
it up at Dundee
over Easter Vacation
didn't we? Well
Steen good luck and
all that rat and
TRY to stay out of
trouble. Lets have
three cheers for
Gluck!

Best Always
Dale

P.S. Keep your
eye on the
Ball. (B)

Senior class float wins — of course.

Rayne,

We sure have had
a heck of a lot of fun
these past few years
never forget the Birthday
present I gave you 1st
year - and summer school
last year - how could
we. Remember Jerry's
party - Oooh!

I've really been reatsville
with you around -
don't know what I
would have done
with out you coming
up the stairs of my pad
at all. Home! The
pitter patter of cloddy feet
sure sounded good.

Remember a few Sat.
nights ago - let's forget it -
but let's make this Sat.
night a night to remember
a nice night. We come on -
have a heart.

Best of luck always
and I had better
see you a hell of a lot
this summer!

CLASSES

Love and kisses,
Thyl. 1200

P.S.
never forget the "yellow
chariot" - may it rest in
peace; J. C. parties, and
the rest of it.

Members of the class of '62 realize that their high school days are fast coming to a close.

Before completing their junior year, the students will have participated in many different activities. Some of these are making a class Homecoming float, selecting class rings, taking statewide junior tests, and sponsoring the Sadie Hawkins and an after-game dance.

The final major project of the year for juniors is the Junior Prom. The many problems such as deciding on the theme, the decorations, the band, the time, etc., all are answered by efficient committees. If the Prom doesn't yield too much financial profit, you can be assured that everyone had a wonderful time making it a success.

Leading the class of '62 were Pam Visin, president, and Sue Hoppe, vice-president. The other class officers were Dave Thompson, treasurer, and Ann Johnson, secretary. The eight Student Council representatives were Alberta Dorn, Kathy Thurston, Janet Skinner, Ross Annable, Helga Massier, Tom Kingston, Tom Frey, and Amy Asker.

SOPHOMORES

Although sophomores aren't yet upperclassmen, their experiences during their first year at C.L.C.H.S. entitle them to be superior toward this year's freshmen.

The sophomore's year is a busy one filled with new exciting courses such as biology. They learn to enjoy delicacies such as fried grasshoppers and chocolate covered ants while dissecting one of its kinfolk. Girls may even summon enough courage to hold a snake or frog.

Driver's training provides more challenging obstacles to the sophomore, especially if he is lucky enough to obtain "behind the wheel." Although they may get panicky at times and may perform some foolish stunts, sophomores usually do quite well on their tests and are thrilled when they receive their licenses.

Beside the required English and physical education, the sophomore may elect to take typing, industrial arts, or homemaking, as well as many others.

In addition to all their studying, sophomores enter a float in the Homecoming parade, decorate the goal posts, sponsor an aftergame dance, and, most important, the Sophomore Cotillion. Supervising these activities are Joe Walker, president; Bill Baker, vice-president; Barb Boysen, treasurer; and Sheryl Roop, secretary. To represent the class in Student Council the sophomores chose Steve Czonstka, Betty Firth, Phyllis Garbe, Jim Kempf, Larry Newman, Jayne Rawlings, Larry Thorsen, and Jon Woodman.

There is but one word that adequately describes the majority of all freshmen — SHORT. It seems that they get shorter every year. Besides being short, all freshmen, for the first six weeks anyway, are in a state of confusion. But really, who can blame them? They are confronted by scores of teachers, (how will they ever tell one from another) a huge building, (that's impossible to find anything in) and hundreds of kids to get to know and like.

The freshmen also have new customs and traditions to learn on entering their new home. This doesn't take long though, and soon they are accepted as part of the student body.

The first thing the frosh learn is that there's never a dull moment. As soon as school is in session, a football team is put on the field. Next is Homecoming and if you want your float to win, you've got to work. Soon it's November. A basketball team is organized, weeded out, picked over, and reorganized. Finally the freshmen sponsor an aftergame dance which is more difficult for them because it's their first crack at it.

The officers of this year's freshman class are: Al Fierce, president; Ben Falk, vice-president; Jackie Gulley, secretary; Ann Griffith, treasurer.

The Student Council members are: John Anderson, Jean Behling, Connee Brown, Jeanne DeBeer, Jean Echternach, Tommy Sue Pfeiffer, Pat Ross, Nancy Roubik.

HOMECOMING IS BIG ONE-DAY EVENT

This year was the first time that the major part of the Homecoming festivities was held all in one day. The parade Saturday morning marked the beginning of the celebration. It was followed by the sophomore and varsity games, both of which Crystal Lake won, and the whole day was climaxed by the dance that night.

A new way of electing the queen was also tried this year. In the first election ten senior girls were chosen by juniors and seniors only. In the second election all

the students voted for five girls who would compose the court, and one of these five was chosen in a third election to be queen. The ultimate result was the election of Maria Calbow as queen and Maria Brown, Susie Hakansson, Judy Hyde, and Steffi King as her court.

For the third year in a row the seniors captured the prize for the best class float, beating the juniors by a very narrow margin. The F.T.A. won the prize for the best organization float.

TIGER CLAWS COLLECTS AND PUBLISHES STUDENT MATERIAL

Although only in its second year, Tiger Claws offered very worthwhile experience for many of the student body. Its main project throughout the school year was to collect literature which was written by the students either in their English classes or on their own. This was then organized and published for the benefit of the student body.

THEATER CLUB SEES PLAYS

Students received Theater Club enthusiastically this year when Mr. Sickal proposed to sponsor such a group. The organization arranged to see four plays during the school year, among which were "A Midsummer Night's Dream," "Flower Drum Song," and "At the Drop of a Hat."

Left to right: Mr. Sickal advisor; Linda Bartlett, vice-president; Penny Rutherford, president; Sharon Boncosky, secretary; Marcia Ekstrom, secretary.

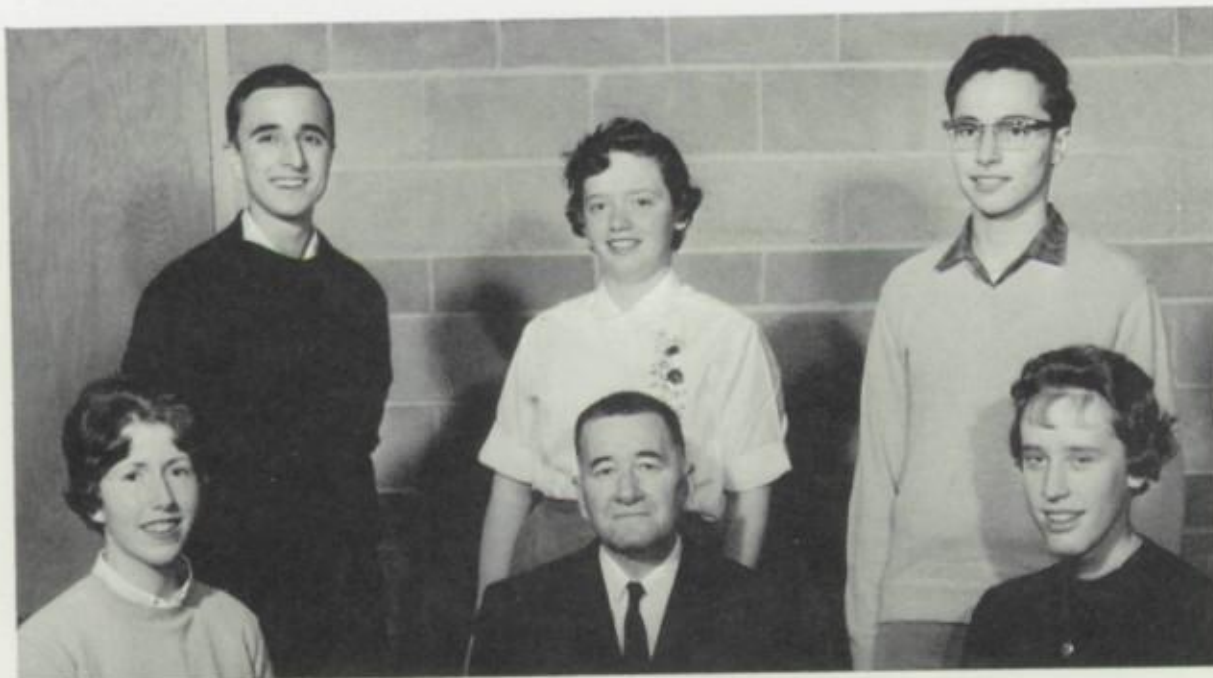

PLAYS ARE SUCCESS

Again this year three plays were presented at C.L.C.H.S. However, this year three directors instead of one worked with the students. Mr. Oleson directed the all-school play; Mr. Muchmore, the junior class play; and Mr. Sickal, the senior class play. All of these men are members of the C.L.C.H.S. English department. Among the plays presented this year were "We Shook the Family Tree" and "Love Rides the Rails."

THESPIANS HEAR SPEAKERS ON PROFESSIONAL DRAMATICS

Speakers on the professional dramatics held the attention of Thespians during several of the drama organization's meetings. Besides participating in the school plays, various Thespians also gave one-act plays. One of the major projects for the group was the initiation of new members.

A CAPPELLA CHOIR KEEPS BUSY

A Cappella Choir was busy again this year, too. Starting off the season in the Christmas concert and the presentation of Mendelsohn's *Elijah*, the choir then arranged various singing engagements in the surrounding area. Also a tour was planned. The Choir had a large enrollment this year and new robes as well. Members of the Choir are selected by Mr. Beringer, the vocal music director. Try-outs as well as written tests are scheduled before a person may enter this select group.

The Choir considers itself a school club. In the past it has been represented in the Homecoming Parade or built a booth for the Honor Society Fair. For the past two years the Choir has had records made of its concert selections.

The Choir Council, composed of four officers and four section heads, is the ruling body of the choir functions. These members of the Council help determine grades, enforce class and concert discipline, and issue and take care of robes.

Now in its second year, Math club is successful. Although last year the meetings were open to those who wanted to attend, the club is now on its feet and working.

Interesting meetings with guest speakers or movies were planned. In addition, the club took a trip to a nearby Nike base.

Some experience in math courses is necessary for membership. Mr. Faellaci sponsors the club.

GERMANS GAIN A NEW SPONSOR

Miss Williamson is German Club's new sponsor. Membership is growing, with alumni as well as current German students enrolled in the club.

During the year, the club sponsored an initiation, planned a banquet, and made plans to visit the German consulate in Chicago. This year, as last year, they had their Christmas party at the home of Jackie Rumsey.

CONCERT BAND HAS TOP MUSICIANS

This select band is composed of the top musicians in the school. Activities included marching band, two concerts, and a tour.

Several members entered in district and state competition, and, as a matter of fact, many of the juniors and seniors are band lettermen. Six of these lettermen head the band. They are: Ken Servatius, Tom Shalin, Syd Mack, Sharon Mouat, Sherrie Schoenberger, and Jon Wiltberger.

The baton twirlers, led by Mary Tefft and advised by Mrs. Cherry, again competed in district contests. The girls also appear with the marching band in their fall performances at football games.

Q CLUB CONTINUES TO GROW

With a membership in the nineties, Q Club ranks as one of the more popular and active organizations in school. The club is open to sophomores, juniors, or seniors with a B average in science.

Many interesting meetings are planned for the big crowd. Guest speakers, such as some members from the Nike Site and authorities from Pure Oil Research Lab, spoke to the group.

Activity-wise, Q club sold all-school play tickets, bought a cloud chamber for the science department, and donated \$100 to the Russell Larson scholarship fund.

EIGHT MEMBERS HEAD VARSITY CLUB

Yes, that headline is correct. Varsity Club has four officers and a four-man executive committee, all of which lead the club in its various activities. Some of these activities include ushering at games, taking charge of the cloakroom, sponsoring a spring picnic for the members. To become a member, an athlete must obtain a varsity letter for any of the following: football, wrestling, track, basketball, cross-country, baseball, golf, or tennis.

LEADERS PLAY AT HALF-TIME

At the January 27 basketball game, the Leaders played an exhibition captain basketball game during the half-time. This was the second year Leaders club undertook this game played in all girls' PE classes.

In addition, the girls help physical education teachers in class and in GAA by refereeing games and helping to teach skills. Because of the nature of the club, therefore, only juniors and seniors may join and only then after filling out applications. At meetings game rules are discussed and questions are answered. The girls usually play a volleyball game with Varsity club.

FUTURE TEACHERS GIVE SCHOLARSHIP

Every year the FTA saves its money to give one or two scholarships to students planning to enter the teaching field. To do this, the club sponsors an after-game dance and a booth or two at the Honor Society Spring fair.

Last year, for the first time, the club sponsored a candidate for a state FTA office. This year or next they planned to do the same.

Club membership is open to everyone — male or female; freshman or senior. Membership has been soaring. Interesting activities are planned throughout the year such as presentation of gifts to a children's home and the observation of elementary classrooms.

VARSITY FOOTBALL CO-CHAMPS

The Tiger Varsity football team successfully completed its 1960 season as co-champs of the North Suburban Conference. Both Crystal Lake and Libertyville had a conference record of 6-1. In the Homecoming game Zion Benton fell 28-7, and the Tigers tied North Chicago in a non-conference tilt, 6-6. The only Tiger loss was a 7-6 decision to Libertyville. Crystal Lake played its best offensive game against Barrington, the only team that beat Libertyville, soundly defeating them 35-19.

Coach Roy Nystrom predicted before the season began that the Tigers could go all the way with a few breaks, no major injuries, and hard work. This

forecast proved true as the Tiger eleven rolled up an average of 21 points a game, while holding the opponents to an eight-point average. Crystal Lake had the lightest squad in the conference, averaging about 168 pounds in the line, but aggressive and determined play gave the Tigers their victories.

Five players represented Crystal Lake on the All-Conference team. From the backfield, quarterback Bob Falkenberg, halfback Steve Adams, and fullback Bob Petrulis were chosen to this squad, while guard Bill Fletcher and end Don Harrington were linemen receiving recognition. Petrulis also received the Charles Martin Award as the best defensive player.

SOPHOMORES ENJOY GOOD SEASON

The sophomore football team enjoyed a favorable season, winning six games and dropping two. The sophomores shut out their opponents in four of their six wins, scoring heavily in these games. Barrington, sophomore conference champs, and Dundee defeated the Tigers. Considering they were handicapped by injuries, the Tigers finished the season with an excellent record.

Coaches Buck Wheeland and Al Bohrer have had commendable records during the past four seasons of sophomore football. Besides winning games, they have helped prepare the boys for varsity competition.

Bond and Edwards rebound against Waukegan.

The Tiger varsity basketball team captured the Elgin Regional Tournament this year. It was only the second time that Crystal Lake has been able to accomplish this feat. After defeating Marion Central Woodstock (78—44) and St. Edwards (80—66), the Tiger five downed Elgin by a 58—54 score. This victory, in which the Tigers dropped in 32 free throws, enabled Crystal Lake to advance to the Arlington Sectional Meet.

The semi-final sectional game with the Prospect Knights provided a whole season of excitement in one game. Falkenberg sank a jump shot with two seconds left to tie the contest at 57—57. Then, in the second overtime period, Weightman dropped in two free throws to give the Tigers a 59—57 victory over fourth-ranked Prospect. In the sectional final, the Tigers fought a taller Waukegan team on even terms for three quarters, and then saw their early fourth quarter lead of 42—41 vanish. Waukegan's 61—56 triumph ended the Tigers' state tournament hopes.

The Tigers easily won the North Suburban Championship with a 13—1 mark, losing only to McHenry by two points. Edwards, Falkenberg, and Rosulek were chosen to the All-Conference team, and Smith led the Tiger scoring attack. Five other players, Bond, Buhrow, Konrad, Moller, and Weightman, provided Coach Fran Wagner with the needed bench strength. In his first year at the helm, Coach Wagner saw his Tiger quintet complete the season with a commendable 22—5 record. The junior varsity team, under Coach Bill Pribble, also had an excellent year, finishing with a 11—1 mark.

SOPHOMORES WIN THEIR SHARE

The sophomore basketball team began the season slowly. After winning their first game, the Tigers dropped five straight contests. Lack of experience noticeably affected the sophomores. However, as the season progressed, the Tigers began winning their share of games. Bill Schneider and Tom Reineck were active at the center position; Bo Strom and Jim Smetana were the regular forwards; and the starting guards were either Pete Hyde, Jim Kempf, or Jim Roden.

WRESTLERS VICTORIOUS IN MEETS

The varsity wrestling squad, aided by senior experience, won most of their meets. Bob Petrulis, Steve Adams, Howard Bailey, Ted Kaphengst, Dick Winter, and Ron Kimura were seniors who had had three or four years of wrestling experience. The Tiger matmen suffered an early season loss to Palatine and then came back to win six matches in succession. In the Palatine Christmas Tournament, Petrulis won the 165 pound class, and Winter took first in the 133 pound division.

TRACK TEAM SCORE UPSETS

Two highlights of the 1960 Tiger track season were the upset victories in dual meets over Palatine and Libertyville. In these two successive meets the Tigers ran up identical scores of 60-58. Libertyville and Palatine finished 1-2 at the North-Suburban Conference Meet, while the Tiger varsity took fifth. Crystal Lake participated in extra meets during the season, taking first in the McHenry County Meet, tenth in the Palatine Relays,

and ninth in the DeKalb Relays.

The 440 yard dash and the mile relay were the two events that sparked the varsity string of six victories in dual meets. In both these events new records were established. Al Lhotka ran the 440 in 52.1 seconds and the mile relay team, consisting of Harrington, Lhotka, Rosulek, and Fagan, clipped off the mile at 3:33.2.

VARSITY BASEBALL CHAMPS AGAIN

For the third straight season, the varsity baseball team took first place in the North Suburban Conference. Coached by Fred Tipps, the Tigers finished with a 13-4 mark. The leading hitters were Jim Berg (.348) and Pat Fitzgerald (.340), while Ed Hladik (6-2) and Tim Roels (5-0) were outstanding in the pitching department. The team also excelled in fielding, as Bill Konrad set a new fielding record for 3rd basemen (.828), Pat Fitzgerald tied the catching record (.973), and for the second straight season the Tigers established a new school fielding average of .918. Ed Hladik's earned-run average of 1.10 was also a new school record.

The combination of a lusty offense plus superior pitching by Don Johnson and Tim Frish gave the Tiger Frosh-Soph baseball team a highly successful season. Coach Bill Pribble and his team concluded the year with a 13-1-1 record. Behind the hitting of Hynan, Jackson, Smetana, and Koch, the Tigers compiled an average of almost nine runs a game. Meanwhile the opponents were held to three runs a game.

CROSS COUNTRY SQUAD HAS WINNING SEASON

Coached by Owen Metcalfe and paced by Rick Lally and Jim Rosulek, the crosscountry squad won eight out of its twelve meets. The team placed eleventh at the St. Charles Invitational Meet, fourth at the District Meet and in the conference meet.

Rick Lally was again the outstanding Tiger stepper. He easily won the conference meet, placed first in the District meet with a record time of 9:53.6, and went downstate to participate in the state meet.

Major Letters were awarded to the following: Rick Lally, Jim Rosulek, Forrest Hare, Paul Koch, Craig Haase, Ralph Berg, Phil Kirchberg, and Bob Ekstrom.

The frosh-soph team's season was not too successful. They had a record of four wins and seven losses. Bob Ekstrom, who later moved up to varsity, and Doug Tripp led the team consistently.

Wayne -

What a mess I got myself into this year. I'm sorry if I caused you any hardships but in a way I'm glad it's over. Boy what a panic! I've never known a boy in such a short time and seen him so much. Remember the night at the library in Elgin when him had everything planned? Only you and Mike didn't come along - you brought Dave or should I say Dave brought you. Anyway we both accomplished what we had planned to do - I asked you to Sadie Hawkins and you asked me out for the next weekend. That was Monday night. I saw you Tuesday, Wednesday, Thursday, Friday and Saturday. Then there was the night we were at Nelson's and you guys were making hot dogs. I didn't care about the time because my parents weren't home - but they were. They were rather mad at me for walling in the house at 2:30 A.M. Boy can you Cha-cha. I wish we could have stayed at Diamonds longer because I was having so much fun.

FACULTY

Yes we certainly had fun together and a gay and glorious week. The only place I regret going is Mc Clary's.

Best of everything to a wild but sweet kid. Don't get into toooooo much trouble but have fun.

See ya

Wayne -

I sure have gotten to know you better this year. Some of the times have been a riot and some of the times have been pretty bad. But most times have been good. In a way, I wish I would never have gotten to know you, you know what I mean. I sure wish things would have worked out better for you and Em. I know how you feel because I felt the same way once only more so. When I think of you, I think of Mr. Cleary's. I don't know if that's good or bad. But it's life. Remember Sadie Hawkins - I had a complete riot - and when you and Em and Mike and I went to the football game at Northwestern and we went and brought the apple cider and spilled it all over the car. My poor car - it sure took a beating. We had lots of fun in your little car with the top down and you'd sit on the top and drive. And then there were the John Carroll Parties. What Parties! Remember all the telephone calls at all hours of the night and your Percy Donatonsils? and when we'd get home at 2:00 and 3:00 in the morning. ^{And} ~~These~~ all the times you helped me with my problems. These are the times, Wayne, that I could never ever forget, although I want to.
